

# Thomas J. Ayres

Fresh college graduate, looking for an opportunity to prove myself within the workplace. I am confident that I will prove to be a competent asset within your company, and will quickly pick up any skills desired by the position.

## RELEVANT EXPERIENCE

### Full Sail University - Lab Technician / Tutor

August 2022 - April 2023

Worked with students taking earlier classes than I, to ensure that they were absorbing the taught material and were able to practice troubleshooting skills when situations arose. This would be done either in-person or virtually, using email and the Zoom platform. A ticketing system was used for managing student requests and troubleshooting status.

Other work experience available upon request.
